B. E – LIBRARY PROJECT

UBAANA concluded transactions with EBSCOhost to deliver their world-class e-library bundle of

(i) ACADEMIC Search Elite and

(ii) BUSINESS Source Elite

to the University of Benin Library.

UBAANA subscribed and paid in full for two calendar years for the UNLIMITED use of this bundle by ALL Students, Research Fellows, Professors and Staff in the comfort of their homes, dormitories and offices.

Continuation of this project is contingent on an agreement that UBAANA and UNIBEN (with the approval of the University council) will split the cost of the project in the future.

C. DENTAL LASER MACHINE FOR SCHOOL OF DENTISTRY

UBAANA donated a Picasso Diode Laser machine to the School of Dentistry. It was delivered to the University representative (Deputy Vice Chancellor) at UBAANA 9th anniversary reunion in Chicago, Illinois. The machine remains in use for Clinical, Teaching and Research purposes at the School of Dentistry.
